

FURNITURE CARE GUIDELINES

- Exercise caution when unpacking to prevent damage to furniture and upholstery from sharp objects
- Dust regularly with a soft brush, cloth, or vacuum cleaner
- Use a nylon brush to remove dirt or crumbs from suede and fabric upholstered furniture
- Remove pet fur from furniture with a lint roller
- Clean spills immediately with a damp cloth and mild cleaner
- Ensure glass cleaner does not affect non-glass parts of furniture
- Do not use bleach solutions
- Avoid using strong or harsh detergents
- Keep wooden surfaces free of standing water
- Cover outdoor furniture when not in use
- Avoid prolonged exposure of outdoor furniture to extreme weather conditions
- Keep sharp objects away from the surface to prevent scratches
- Handle furniture with wood, metal, glass, and marble elements with care to avoid abrasion, cracks, chips, dents, and other types of damage
- Avoid placing wooden furniture in direct sunlight to prevent discoloration
- Do not place furniture close to wood-burning stoves, radiators, etc.
